

Supporting young athletes right here in our own community

The West Michigan Storm exists to help players reach their potential in a fun and challenging environment. Encourage the Will, Compliment the Skill is one of our mottos! We develop players on the field and young men and women off the field, that acquire skills for life and love for community.

We are so grateful for your support of our program. Money raised will support our coach education. Specifically, it will train our coaches, how to more effectively train and equip our young players for success.

In exchange for your support of \$250, we will hang a 5'x3' banner on **both sides** of our fence line at Porter Soccer Complex, for maximum exposure to families that come to our field. West Michigan Storm has 88 home games this fall and another 84 games next spring. More than 5,000 people will come into the Porter Soccer Complex for matches over the next year, not including those who come for training and tryouts. Your banners will be on display until the end of June, 2018.

Our goal over the coming year is to have a stronger presence within our community and to strengthen our relationships with local businesses. It starts with you! Thank you!

We have partnered with Brad Peters at Classic Stamp & Sign to produce top quality banners for your business. They have deeply discounted their pricing for this cause and will print both banners for a total of \$110.

For payment, please make check payable to: West Michigan Storm. The total amount for both the production of the banner and the advertisement is \$360. Payment can be mailed to: West Michigan Storm, 2743 Henry St. PMB #176, Muskegon, MI 49441. We are a 501(c)3 and your support is tax deductible.

Please email .eps or .pdf artwork to Brad, his email is: Brad@ClassicStampAndSign.com

Have questions? Please call me directly, (616) 635-3600

Sincerely,

Kevin Butler
